§14 Completion of studies

§14 Completion of studies

- 1) To complete the program, students must have completed the academic work required pursuant to § 7 and 9 hereof.
- 2) The degree will not be awarded if the student has failed to complete academic work on a final basis or failed exams without the option to retake or is currently involved in a pending examination procedure at any higher education institution in the same study program or in a module that is identical or comparable to one of the modules that must be completed within the master's degree program and must be taken into account in determining the overall grade.
- 3) The application for determining the awarding of the degree must be accompanied by evidence that the prerequisites as detailed in paragraph 1 above are met and by an affirmation that none of the cases enumerated in paragraph 2 above applies to the applicant. The relevant examining board decides on the application.
- 4) On the basis of the passed examination, the university degree of Master of Science (M.Sc.) is awarded. The student will receive a grade report and degree certificate (Annexes 3 and 4), as well as a diploma supplement (English and German versions). Furthermore, a supplement to the grade report detailing individual modules and their components (transcript) will also be issued. English versions of the grade report and degree certificate are also issued upon request.
