Please note that this English version of the part of study and examination regulations is nothing more than an aid to orientation. **Solely the German version is legally binding.**

**§14 Completion of studies**

- (1) In order to graduate, students must complete the coursework and assessments outlined in Sections 7 and 9.
- (2) A student is not eligible for graduation if they have definitively failed some coursework or assessment or are involved in a pending examination procedure at another university in the same course of study or in a module that is identical or comparable to one of the modules to be completed in the master's degree program here and that will be taken into account when determining their overall grade.
- (3) The application request for the award of a degree must be accompanied by documentation showing the student has completed the requirements mentioned in Section 14.1 as well as a guarantee that the applicant is not subject to any of the eligibility restrictions mentioned in Section 14.2. The relevant examination board is responsible for approving the application.
- (4) Upon successful completion of the assessment, the student will receive a Master of Science (M.Sc.) university degree. Students receive a certificate of academic record and a degree certificate (appendices 3 and 4) in addition to a diploma supplement (English and German versions). In addition, a degree certificate supplement with details of the individual modules and their components (transcript) is prepared. Additional English versions of the transcript and degree certificate may be issued upon request.
