

FU Berlin - FB Mathematik und Informatik

Registration for the Conferral of a University Degree

(Bioinformatics Bachelor's Degree Program, **Study Regulations / Examination Regulations**
July 10th 2012 – 260c)

Last name: _____ First Name: _____

Date of Birth _____ Place of Birth: _____

Address: _____

Matr. No.: _____ Tel.: _____ Email: _____

I hereby declare that I have successfully completed § 6 of the Examination Regulations 07/10/2012 (Official Register 81/2012, 09/12/2012), namely the course and examination requirements for degree conferral.

Furthermore, I hereby declare that I have not completed any courses or examinations, within the area of validity of basic law, for the same degree program, for the same subject, or for a module which is comparable to one of the modules studied in the Bachelor's degree program in Bioinformatics, or that I have failed to pass examinations, or that I have outstanding examinations at another institution of higher education.

Berlin, _____

Signature of applicant

Admission to the university degree

granted to _____ (date)

not granted, as the admission requirements have not been met.

Berlin, _____

Chair of the Examination Board

Please note that this English version of the part of study and examination regulations is nothing more than an aid to orientation. Solely the German version is legally binding.

Examination Regulations for Bioinformatics 07/10/2012 (Official Register 81/2012, 09/12/2012)

§ 6 Conferral of University Degree

(1) The prerequisites for a conferral of a university degree is that the requisite accomplishments stated in § 4 paragraph 1 of these regulations in combination with § 4 of the study regulations are proven.

(2) The university degree will not be awarded if the student has not completed his or her academic records for the same degree program, for the same subject, or for a module which is comparable to one of the modules studied in the Bachelor's degree program, or if he or she has failed to pass examinations, or if he or she still has outstanding examinations at another institution of higher education.

(3) The application for admission to the conferral of the university degree shall be accompanied by evidence that the prerequisites as detailed in paragraph 1 exist, and by an assurance that none of the named cases in paragraph 2 apply to the applicant. The relevant examining board will decide on the application.

(4) Based on the passed examination, certificates (Appendices 2 and 3) in German and English as well as a Diploma supplement in German and English will be issued. A supplement to the certificate (a transcript) detailing individual modules will also be issued.

§ 4 Scope of Examination and Study Attainments

(1) A total of 180 credit points must be earned for examination and study work, including

1. 150 credit points for the core subject including a Bachelor's thesis with an oral presentation totaling 12 credit points and
2. 30 credit points for general professional skills courses.

(2) Information pertaining to the examinations which are attached to individual modules, the admission requirements for individual modules, obligations to regularly attend teaching and types of learning, as well as the credit points assigned to each module can be found in the Appendix 1. For the modules "Computer Science A" and "Computer Science B", for the Bachelor's degree program with the core subject Computer Science, for the Computer Science modules worth 60 and 30 credit points as part of other degree programs, refer to the examination regulations of the Department of Mathematics and Computer Science at Freie Universität Berlin. For the modules "Computer-orientated Mathematics I" and "Computer-orientated Mathematics II", refer to the examination regulations for the Bachelor's degree program in Mathematics for the Department of Mathematics and Computer Science at Freie Universität Berlin. For modules in elective areas, refer to the appropriate examination regulations.
